[Resolved] Notice of System Maintenance Completion and Service Resumption

Thank you very much for using the websites of Nittobo and the Nittobo Group.
We would like to inform you that the system maintenance, which was carried out to address a PHP vulnerability, has been completed today with the implementation of permanent countermeasures. Accordingly, all suspended services and pages have now resumed normal operation.
We sincerely apologize for the significant inconvenience and trouble caused to all our users during the maintenance period.

Details

1. Date and Time of Service Resumption
   Resumed sequentially from October 30, 2026

2. Affected Services and Pages
   Nittobo Official Website
   ・Inquiry Forms / Contact Pages

   Nittobo Group Company Websites
   ・Inquiry Forms / Contact Pages on each company website
   ・Nittobo Medical Co., Ltd. English Website (Product Information Pages)

3. Action Taken
We have implemented permanent countermeasures against the PHP vulnerability on our web servers, confirmed the system's security, and subsequently resumed our services.
We will continue striving to ensure stable service operation and enhance security, and we deeply appreciate your continued understanding and support.

End
